Professional Summary

I am a Flutter Developer specializing in the development of cross-platform mobile applications using Flutter and Dart. I have received intensive training at both ITI and DEPI..

Education

2024 _ 2028

Bachelor's Degree in Computer Science & Artificial Intelligence

MTI University — *Expected Graduation: 2028*

Relevant Coursework: Software Engineering, Mobile Computing, Data Structures, Algorithms

Experience

Nov 2025 _ Jul 2026 (DEPI)

- Flutter Developer Internship – Digital Egypt Pioneers Initiative (DEPI)
- Designed and developed cross-platform mobile apps utilizing Flutter and Dart.
- Integrated REST API requests into applications while adhering to clean and modular design patterns.

Jun 2025_Aug2025 (ITI)

- Full Stack Development Intern – Information Technology Institute (ITI)
- Coded web applications using HTML, CSS, and JavaScript.
- Gained experience in back-end application architecture and logic.

Projects

Facebook-Like Social Media Interface | ITI Training

- Project:** Designed and developed a Facebook-inspired social media interface with core interaction features.
- My Role:** Implemented comments and reactions functionality using Laravel, including backend logic for user-post interactions and frontend integration.
- Duration:** Completed as a 2-week intensive team project with a team of three.

Volunteering

- Cybersecurity Awareness Volunteer**
- Supported a cybersecurity awareness event aimed at increasing public understanding of cyber threats and data protection strategies.**
- Helped raise awareness about secure online behavior, strong authentication practices, and social engineering risks.**
- Engaged with participants to demonstrate real-life attack scenarios and effective prevention methods.**

Skills

Languages

- Arabic: Native
- English: Good (Reading, Writing, Speaking)

Programming Languages

- Dart
- Html5, PHP , LARAVEL
- C++, OOP

Frameworks & Technologies

- Flutter

- REST APIs
- Mobile Application Development

Tools

- Git & GitHub
- VS Code
- Android Studio

Soft Skills

- Problem Solving
- Fast Learner
- Team Collaboration
